## PROFESSIONAL SUMMARY

Dedicated cannabis retail professional with 6+ years of dispensary operations experience and proven expertise in compliance management, operational support, and creating exceptional patient experiences. Natural leader with a track record of mentoring coworkers, driving sales through product education, and maintaining flawless compliance records across multiple retail environments. Skilled in inventory management, cash handling, and building positive team culture. Passionate about cannabis education and helping patients make confident, informed choices in fast-paced retail settings.

---

## EDUCATION

**University of Toledo**, Ohio

Bachelor's & Associate's Degrees in Applied Organizational Technologies

---

## CORE COMPETENCIES

**Team Support & Mentorship:** Natural ability to guide, motivate, and elevate coworkers through knowledge sharing and hands-on support. Skilled at helping new team members acclimate to dispensary operations, product knowledge, and compliance requirements while fostering positive, collaborative work environments.

**Retail Operations & Daily Management:** Comprehensive experience with dispensary operations including opening/closing procedures, manager-on-duty responsibilities, maintaining store organization, visual merchandising, and ensuring operational readiness. Highly organized with strong attention to detail and ability to manage multiple priorities.

**Inventory & Compliance Excellence:** Expert in inventory audits, METRC seed-to-sale tracking, FIFO practices, and maintaining accurate records. Maintained 100% compliance record across all cannabis retail positions with meticulous attention to state and city regulations at all times.

**Cash Management & POS Systems:** Proficient in high-volume cash operations, front and back of house cash handling, end-of-shift reconciliation, and retail POS platforms including Dutchie. Consistently maintained accuracy in all financial transactions and accountability procedures.

**Cannabis Expertise & Patient Education:** In-depth knowledge of cannabis strains, chemical composition, effects, potency, dosing, methods of consumption, and quality metrics. Dedicated to providing individualized patient consultations that build trust, loyalty, and repeat business.

**Customer Service & Sales:** Expert in building rapport, identifying patient needs, and providing personalized product recommendations. Consistently achieved sales goals through education-driven consultations and strategic upselling while ensuring positive patient experiences.
